ESTABLISHMENT - Town Planning - Udipi Municipality - Tow Planning and Building Inspector, Grade III - Additonal charge by Public Works Supervisor - Payment of charge allowance - Orders passed.

Office of the Chief Engineer, P.W.D.(Genl.&Blogs), Chepauk, Madras.

ENDORSEMENT No.6179.PH/54-1, dated 4-1-1955.

Sub:-Establishment - Town Planning - Udipi Municipality - P.W.Supervisor-in-charge of the duties of the Town Planning and Building Inspector, Grade III - payment of charge allowance - Sanction of.

Ref:-From the Director of Town Planning, letter No.Rc.11083/A2., dated 20-12-1954.

ASSISTANT SECRETARY TO GOVERNMENT 19 JAN 1955 3458 HEALTH, EDUCATION & LOCAL ADMN. DEPT.

Forwarded to Government.

2. In his letter No.Roc.A2/1730/54 dated 23-9-54, the Commissioner, Udipi Municipality has explained that there is no sufficient work for the P.W.Supervisor. He has also stated that not more than four Building applications are received in a month in the T.P.Branch of the Municipality. Judging from the above, there does not seem to be any justification for the continuance of the post of T.P.&B.Inspector. It is presumably for this reason that the Municipality has kept the post unfilled.

3. But when it is admitted by the Municipality itself that there is no work in the Town Planning Branch for the Town Planning and Building Inspector, there seems no justification to continue the post and to put in the Public Works Supervisor in additional charge of the duties of the latter post. I therefore consider, as rightly suggested by the Sanitary Engineer, that the post of Town Planning and Building Inspector may be kept in abeyance and the work of Town Planning and Building Inspector entrusted to the Public Works Supervisor. This course will obviate the necessity for the payment of additional charge allowance. I request that necessary orders of Government may please be issued to that effect, at an early date.

4. Sanction of Government may however be accorded for the payment of additional charge allowance to the Public Works Supervisor from 27-4-1954, the date from which he held full additional charge of the post of Town Planning and Building Inspector till the date of orders that may be issued on the proposal in para (3) above.

From the Sanitary Engineer to Government, Endorsement No.16682-E/54-1, dated 13--11--1954 to the Chief Engineer, Public Works Department (General and Buildings).

The letters Roc. No.A2/1730/54, dated 23--9--1954 and 17--11--1954 of the Commissioner, Udipi Municipality and endorsement No.16682-E/54-1, dated 13--11--1954 of the Sanitary Engineer cited above are forwarded to the Government together with a copy of this office proceedings L.Dis.No.8604/54, dated 6-11-54 addressed to the Commissioner, Udipi Municipality.

The sanctioned strength of Town Planning Staff of the Municipality consists of only one Town Planning and Building Inspector, Grade III and one Town Planning Tracer and the work of the Town Planning Section will be affected very much if the post of Town Planning and Building Inspector is kept in abeyance indefinitely. The Government may however be pleased to approve the additional charge arrangement upto 31--3--1955 at the latest and also to direct the Municipal Council to fill up the post of Town Planning and Building Inspector Grade III in the meantime.

Forwarded through the Director of Town Planning and the Chief Engineer, P.W.D., (General & Buildings), Madras.

It is reported by the Municipal Commissioner that there is not much work for the P.W. Supervisor and that the number of building applications received in a month is not more than four. In the circumstances I consider that it would be better if the post of Town Planning and Building Inspector is kept in abeyance and the P.W. Supervisor asked to attend to the work in the Town Planning Branch also. I do not see any justification for continuing the additional charge arrangement indefinitely, paying additional charge allowance to the P.W. Supervisor.

Sir,

Sub:- ESTABLISHMENT - Town Planning - P.W.Supervisor-in-charge of the duties of Town Planning & Building Inspector - sanction of - charge allowance - sanction solitied.

- - - - -

The post of Town Planning and Building Inspector under this Municipality is vacant with effect from the afternoon of 26-4-54 consequent on the transfer on promotion of Sri C.V.Varkey, Town Planning and Building Inspector to Coimbatore Municipality and Sri Shivarama S., Municipal P.W.Supervisor is in full additional charge of the duties of Town Planning and Building Inspector. The Appointment Committee in its Resolution No. 1 dated 22-6-1954 has also approved the appointment of Municipal P.W.Supervisor to be in full additional charge of the duties of Town Planning and Building Inspector. The Director of Town Planning, Madras has already been addressed in my letter R.O.C.No.A2-1730/54 dated 13-7-1954 to approve his appointment and his orders are awaited (Copy enclosed).

The post of Town Planning and Building Inspector under this Municipality is still vacant, as it is proposed to keep the post vacant for some more time as the Municipal P.W.Supervisor can easily attend to the additional duties of the Town Planning and Building Inspector in view of the fact that there is not enough of work to the Municipal P.W.Supervisor in P.W.Section on account of the deficit budget of the Municipality. I may also submit that there are not many works under communications as the provision made for expenditure for the year 1954-55 has been reduced to Rs. 3,500/- according to the Orders of Government passed on the Revised Estimate for 1953-54 and Budget Estimate for 1954-55. The annual maintenance of roads estimating to Rs.3,900/- for which tenders have been called for have been cancelled by the Council as it is proposed to patch repair the lanes departmentally. Besides, there are no capital works either under execution or proposed to be executed during the current financial year. In the Town Planning section also there are not more than four building applications a month. But in order to pay additional charge allowance, as the period of full additional charge exceeded three months, the previous sanction of Government is required. I request therefore that the Government may be pleased to issue orders sanctioning the payment of charge allowance and issue orders early.

A copy of my proceedings R.O.C.No.A2-1730/54 dated 26-4-54 and 15-5-1954 and copy of Appointment Committee's Resolution No.1 dated 22-6-1954 are also submitted for favour of perusal and orders.

The post of Town Planning and Building Inspector under this Municipality is vacant from the date the Municipal Public Works Supervisor was put in additional charge of the duties i.e. with effect from the afternoon of 26--4--1954. It is proposed to keep the post vacant for some more time and as such no action has so far been taken by me to fill up the vacancy. In this connection, I may mention that there is not much work in the Engineering Section at present. The Municipal Public Works Supervisor can without any difficulty attend to both the duties of Public Works and Town Planning Sections. In view of the deficit budget of the Municipality, there are not many works under Public Works as the provision made for expenditure under Communications for the year 1954-55 has been reduced to Rs.3,500/- as per orders of Government passed on the Revised Estimate for 1953-54 and Budget Estimate for 1954-55. The annual maintenance of roads estimating to only Rs.3,900/- for which tenders have been called for, are also proposed to be dropped and only repairs to drains and building of road surface are being done departmentally. Besides there are no capital works also proposed to be executed during the year 1954-55. The Commissioner in his letter dated 23-9-54 does not appear to have given a correct appreciation of the work of the Town Planning staff in Udipi Municipality. He has merely stated that only 4 building applications are received every month. There are many other duties of Town Planning staff besides inspection work of buildings. In Udipi there is a sanctioned Town Planning Scheme and also two suggested Town Planning Schemes which have been taken up for preparation besides the preparation of General Town Planning Scheme which is obligatory on the Municipal Council. The Town Planning staff will have in addition ~~xxxxxx~~ to deal also with encroachments. The above mentioned sanctioned Town Planning scheme is under execution and some works pertaining to it have already been covered. The Department does not therefore consider that it will be desirable to keep the post of Town Planning and Building Inspector, Grade III in abeyance for a considerable length of time. The Department does not agree that the post should be kept vacant for any period beyond 31-3-1955 since the post had been vacant from 26-4-54 and Town Planning work will suffer if it is kept vacant any longer.

2. Sir,

Sub:- ESTABLISHMENT - Municipal Council, Udipi - Town Planning - P.W.Supervisor in charge of the duties of T.P.& B.I. - sanction of charge allowance - requested.

Ref:- Government Order Ms.No.2151, Health, dated 29-6-1955.

The Government in their order cited above have been pleased to sanction the payment of charge allowance to the Municipal P.W. Supervisor at 1/5 of his substantive pay for holding full additional charge of the duties of the Town Planning & Building Inspector for the period from 27-4-1954 to 31-3-1955. The Government have further ordered that the Municipal P.W.Supervisor be directed to attend to the work relating to Town Planning and Building Regulation without extra remuneration with effect from 1-4-1955 till a suitable and qualified candidate is selected for appointment as Town Planning and Building Inspector under the Municipality. The above order of the Government was received in this office on 11-7-1955. Action was taken to fill up the vacancy of Town Planning and Building Inspector under this Municipality prior to the receipt of Government orders and the post was filled up with effect from 27-7-1955 i.e. after the receipt of the approval of the Director of Town Planning, Madras as per the proposal of the Appointment Committee. In this connection I may also submit that the Municipal P.W.Supervisor was discharging all the duties of the Town Planning and Building Inspector till the date of his handing over charge to the newly appointed Town Planning and Building Inspector i.e.on 27-7-1955. I request therefore that the Government may be pleased to reconsider their orders and sanction the payment of additional allowance for the period from 1-4-1955 to 26-7-1955 also. A copy of the petition dated 15-10-1955 of the Municipal P.W.Supervisor and a copy of G.O.Ms.No. 2151, Health, dated 29-6-1955 are also submitted herewith for favour of perusal.

Sir,

In consequent on the transfer on promotion of Sri C.V. Varkey, Town Planning and Building Inspector to Coimbatore Municipality, I was put in full additional charge of the duties of the Town Planning and Building Inspector in addition to my own duties. The Appointment Committee in its resolution No.1 dated 22-6-1954 has approved the appointment of full additional charge of the duties of the Town Planning and Building Inspector. The Director of Town Planning, Madras in his proceedings L.Dis. No.8604/54 dated 6-11-1954 has also pleased to approve the same upto 31-3-1955.

-- In addition to my own duties as Public Works Supervisor, I have worked hard and took great pains to dispose off all the papers pertaining to Town Planning Section and not in any way allowed the same section to suffer. In addition to this I had attended clerical works relating to Betterment tax namely writing of special notices, bills, revision petitions and appeals including regular account of betterment tax collection. All these registers I have kept upto date during in my charge.

It is only on 11-7-1955 I came to understand that I have to work without remuneration after 1-4-1955 in addition to my own usual duties as Public Works Supervisor as per G.O.Ms.No.2151, Health, dated 29-6-1955, during the period I have already worked hard.

As such, considering all the above facts, I request that the Government may be moved to reconsider the orders already passed and to sanction the allowance due for the period from 1-4-1955 till 27-7-1955 the actual date of handing over charge to the newly appointed Town Planning and Building Inspector.

Sub:- Establishment - Town Planning - Udipi Municipality - Town Planning and Building Inpsector Grade III - Holding additional charge of duties by P.W.Supervisor - Payment of charge allowance.

The post of Town Planning and Building Inspector Grade III in the Udipi Municipality is vacant with effect from the afternoon of 26-4-54. The Public Works Supervisor of the Municipality is holding full additional charge of the duties of the post of T.P. and Building Inspector. In his letter on page 7 c.f. the Commissioner, Udipi Municipality, has requested that the Government may sanction the payment of charge allowance to the P.W.Supervisor for holding additional charge of the duties of the post of T.P. and Building Inspector. In forwarding this letter, the Sanitary Engineer has stated that there is not much work for the P.W. Supervisor and that therefore he considers that it would be better if the post of T.P.& Bldg.Inspector is kept in abeyance and the P.W. Supervisor asked to attend to the work in the town planning branch also. The Sanitary Engineer has also stated that he does not see any justification for continuing the additional charge arrangements indefinitely, paying addl.allowance to the P.W.Supervisor. The C.E., P.W.D.(Genl.& Bldgs) has supported the Sanitary Engineer's proposal. The D.T.P. however considers that it is not desirable to keep the post of T.P. & Bldg. Inspctor in abeyance for a considerable length of time.

The D.T.P. suggests that the post of T.P. & Bldg. Inspector should not be kept vacant beyond 31-3-55.

2/. As the P.W. Supervisor has been holding full additional charge of the post of T.P. and Building Inspector, Grade III, since 27-4-54, the Govt. may sanction, as a special case, the payment by the Udipi Municipality of charge allowance to the P.W. Supervisor at the rate of one-fifth of his substantive pay or one half of the mimimum in the scale of pay of the post of T.P. and Building Inspector, Grade III, whichever is less, for the period from 27-4-54 till 31-3-55. With effect from 1st April 1955, the post of T.P. and Building Inspector, Grade III, may be kept in abeyance for a period not exceeding one year and the P.W.Supervisor may be asked to attend to the work of town planning and building branch also, without any extra remuneration, as suggested by the Supdg. Engineer and the Ch. Pwds (Legal + Bldgs) The Commissioner, Udipi Municipality, may be asked to take steps to appoint, in consultation with the D.T.P., a suitable candidate as T.P. & Building Inspector, Grade III, before the expiry of the period of one year.
